

The Catholic Woman's League of Canada

Did you know....

- The CWL is first and foremost a spiritual organization, which hopefully will bring its members closer to God, to our Patroness Our Lady of Good Counsel, and to each other.
- The women of CWL are the backbone of the parish and assist the pastor with many lay ministries.
- Total membership across Canada is almost 100,000 women strong.
- Many resolutions are formulated at the "grass roots" parish level and are subsequently lobbied at the provincial or federal government level. The CWL has the opportunity for audience with all levels of government and carries your concerns to the Members of Parliament through resolutions, briefs and position papers.
- The CWL is a non-profit organization, yet through our volunteer hours and fundraising, we support many local support groups within our community.
- The Objects of the League mandate that we are always educating ourselves on the changes in our world, through work in our schools, through Development and Peace and resolutions and legislation passed in our country.
- The benefits of your membership in the League are many and varied – good fun, personal fulfilment and a positive way to stay connected to your parish.
- Your CWL annual membership is only \$20.00. This membership gives you the option to be an active member or a "supporting member" who will pray for the wonderful work done by the League and add your vote to the other 100,000 members on issues presented to the government.
- Our meeting takes place at 7:30 p.m. on the 2nd Tuesday of the month.

Please join us! We would love to see you there.
